Parent Survey results 2024

The parent survey was sent to all parents in May 2024. In total 11 out of 54 were returned.

The purpose of this survey is to capture parents views on a range of topics; to act upon the feedback and where necessary to improve the quality of care we provide to our families.

In addition, general comments were collected against each subject area.

The results are as follows *(please see appendix for full questionnaire*)

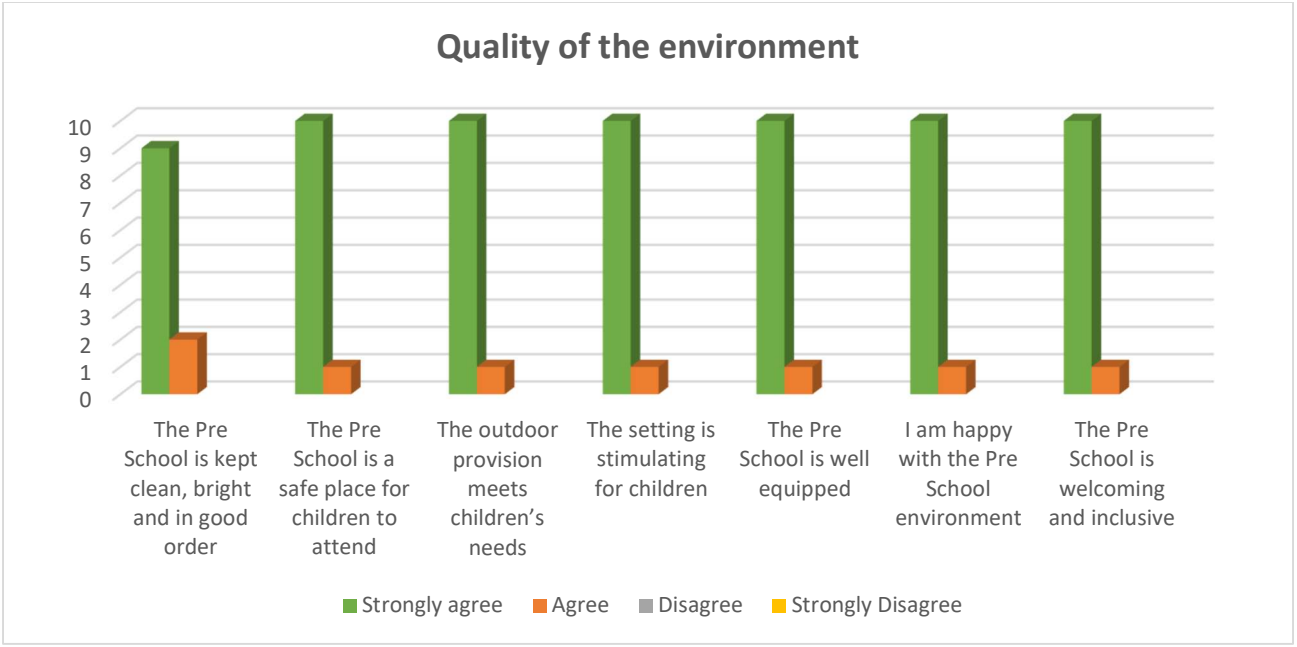

Parents said.

"I am consistently impressed by the level of care and attention provided by the Pre-school staff, it is evident that they generally care about the wellbeing and development of each child".

"Happy place with happy faces"

"Love spending time with the staff".

"Love the space and the activities provided".

“All staff are amazing”.

“Love coming into Pre School”.

Things we could do better

“Incorporating more cultural diversity into the curriculum to enrich the learning and to promote greater understanding and acceptance among children”.

“Ensure communication between Class Dojo and Newsletter match”.

Actions

We will continue to annually review parent’s comments and share findings with the Committee, staff and parents.

We will act upon any findings and again sharer this with Committee, staff and parents.

We will work with and encourage parents to join the Pre School in various cultural celebrations.

June 2024.
